Did the corresponding author take consent to publish this article in Helix from all coauthors?

YES

NO

The Author warrants that the Article is the Author's original work, has not been published before, and is not currently under consideration for publication elsewhere; and that the Article contains no libelous or unlawful statements and that it in no way infringes the rights of others, and that the Author, as the owner of the copyright, is entitled to make this assignment. Helix reserves the right to refuse to publish your Article where its publication creates legal liability, or where circumstances come to light that were not known to the Editor, including prior publication, conflict of interest, manifest error etc. The corresponding author filling this form declares this form as legal consent to publish document approved by all the authors mentioned above. Your papers will be processed and published as per the open access policies mentioned by Budapest Open Access Initiative and Attribution 4.0 International (CC BY 4.0). \*
